A Note from the Executive Director

Thanks to your generous support, 2020 is going to be another fruitful year at the Warrenton Pregnancy Center! As we enter our third year, I'm excited to share some of our new initiatives. Inside, you'll read about our brand-new partner website which will help us connect with donors and volunteers! We have also officially launched a Ministry to Men with mentors and advocates available.

It's truly inspiring to see what can be accomplished in our community solely through the support of individuals like you. Your financial support and prayer support lift us up so we can be present for men and women in crisis. Working together, we can bring about a Culture of Life here in our own community.

Together, We Changed Lives in 2019!

In 2019 God opened many doors. More women came in seeking our services, than ever before. We expanded our educational offerings to include birthing classes and lactation counseling. We provided many pregnancy tests, ultrasounds, classes, phone consultations, and other support for our clients.

Here are the faces of some of the people we were able to help due to your support and partnership. Each of these little miracles was ushered into the world through the efforts here of our Pregnancy Center staff fueled by your support!

Life Line

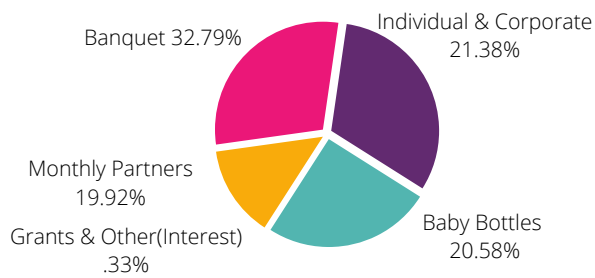

Did you know that Warrenton Pregnancy Center receives many phone calls and texts from men and women asking for information and options? Our trained advocates have lengthy discussion with these men and women, providing them with information, a listening ear, resources and prayers.

"For you formed my innermost parts, you knit me together in my mother's womb. I praise you, for I am fearfully and wonderfully made!" - Psalm 139:13-14

Staying Connected

WARRENTON
**PREGNANCY
CENTER**

One of the challenges we face here in the Center is staying in touch and connected with all of our supporters. We can't do this work without you! Your commitment to this ministry is crucial to its' success. We want you to know what we are doing, share our wins and ask your help and prayers for the babies, moms and dads that come through our Center.

We do send newsletters, we hope to start sending out more emails, and of course there is Facebook! But we wanted to set up a place where you can reach out to us as well! So drumroll please.....

[Check out our New partner website! www.wpcpartners.org](http://www.wpcpartners.org)

We are so excited to have this new resource! It will provide a much needed platform to keep our friends updated on our latest news, recruit new volunteers, post a calendar of events, and most importantly to hear from you: share concerns and questions, sign up to volunteer, join our Monthly Supporters or send a gift in memory of a friend or loved one. We hope to have a prayer wall soon as well!

"And let us not grow weary of doing good, for in due season we shall reap! Gal 6:9

Ministry to Men

Why A Ministry for Men?

In many cases, the father can be the biggest influence in saving the baby. Men who learn the truth about abortion and see an ultrasound are statistically more deeply affected than women. Over 90% of men who see an ultrasound actually choose life for their babies!

By involving the father in the decision we help break the cycle of absent fatherhood so prevalent in America today. Sadly, over 24 million children live in a household without their father.

When young men walk into our center, we have a golden opportunity to begin a coach/mentor relationship.

FACT:

The #1 overall reason given by young women as to why they are considering an abortion is pressure from or lack of support from the baby's father

The National Institute Health found that when couples receive support together men are more likely to take an active role and feel empowered rather than helpless, leading to increased satisfaction and greater involvement with early childcare. Psychological support was valued by women in the form of emotional expression of caring and empathy from the father.

Our Ministry

Less than 15% of Pregnancy Resource Centers in America actually offer meaningful support for fathers. At WPC, we believe, and research supports, that men's ministries are an incredibly valuable tool in helping a couple choose life.

Here at Warrenton Pregnancy Center, we now have trained advocates and mentoring available both for men and women!

If you are interested in becoming involved in this exciting new ministry, please reach out to us!

"For God so loved the world, that He gave His only Son that whoever believes in Him shall not perish but have eternal life." - John 3:16

Save the Date!

3rd Annual Spring Gala ~ Friday April 24, 2020

Support the life-affirming work of the Warrenton Pregnancy Center in style! Join us for our annual fundraiser and famous Silent Auction at The Inn at Vint Hill. Black Tie Optional. This event is free but you **MUST** RSVP to save your seat. Last year we sold out so don't delay!

What's it all about you ask? Enjoy our famous Silent Auction, live music, cash bar, buffet dinner, get an update on what the WPC has been up to this past year. We want to celebrate all that God has done in this ministry with you!

Do you know someone with a prolife heart that doesn't know about us or our work yet? Invite them to come along and see what we are doing. There will be an opportunity to financially support our work so don't forget to bring your checkbook or credit cards!

Monthly Partners

Our monthly financial partners do the heavy lifting of providing us with a consistent income. Knowing what resources we have to work with helps us to plan and manage more effectively and serve this community. As little as \$5 or as much as \$500, it all adds up to keep the doors open and the lights on.

Volunteers

Volunteers are the heart and very core of our staff. Come in weekly, monthly or help out on special projects. We offer free ongoing training. We are especially looking for men & women advocates, medical professionals, mentors & instructional coaches. We provide one on one as well as group classes on everything from what to expect when you're pregnant, parenting classes and life skills. Please prayerfully consider reaching out for more details.
