## YOU ARE DOING GREAT THINGS FROM THE EXECUTIVE DIRECTOR

If you follow the news as closely as I do, it's easy to become discouraged. Despite the pro-life movement's growth in our nation, the culture seems to be going in the wrong direction.

In Washington and Richmond, politicians are undoing many of the gains we've made over the past four years. That said, there is good news. As the headlines from our Facebook feed attest (left-hand column on this page), state legislatures are moving to protect vulnerable human life. This is good news, and it's significant.

*Patrick Novacosky*

# YOU'RE DOING GREAT THINGS

CONTINUED FROM PAGE ONE

In addition to legal gains in some states, the fact that our Center has been blessed by your prayers and financial support is also great news.

Scott Eastment

We're particularly grateful to George and Tina Eastment, who gave a generous gift in December in memory of their son, Scott, 33, who died last June. Please keep them in your prayers. The Eastments have supported our work since we opened

our doors in 2018, and their passion for saving the unborn and providing for women and their families inspires us greatly. For the first time, we will be dedicating one of our rooms (the ultrasound room) to Scott's memory as we mark our third anniversary this spring.

Your prayer support is foundational for the success of our work. Keep it up, please! Your generous financial support continues to astound us. In addition to wills and trusts, there are so many ways you can support our work: join us as a monthly donor, shop online using AmazonSmile, participate in our Baby Bottle Drives, remember us in your memorial, and take part in our many upcoming events (see page 4).

Your support will help us reach more abortion-minded women and those in need of material and educational support for themselves and their families. With your continuing support, we'll be able to grow our outreach and expand our hours to reach the most vulnerable in our community. For that, we are eternally grateful.

# RACHEL SULLIVAN AND NATALIA: ONE OF OUR MIRACLES TURNS 1

For so many local women, Warrenton Pregnancy Center is a Godsend that literally saves and transforms lives.

When Rachel Sullivan discovered she was pregnant a little more than a year ago, she reached out to social services for help.

“They asked me if I had considered abortion due to my financial situation,” she said. “And I couldn’t find [an OB/GYN] who would see me for less than \$600 a month. And then I came across Warrenton Pregnancy Center. They gave me a list of OBs in the area that offer payment plans.”

Rachel says she’s grateful for the Warrenton Pregnancy Center’s concern for her situation and for its faith-based guidance. She soon began seeing the doctors at Tepyac OB/GYN, a pro-life practice in Fairfax.

“WPC and Tepyac were more concerned about me than money,” she said. “They definitely restored my faith in humanity.

But, as much as I don’t want to admit it, they restored my faith in God. With them delivering my baby, happy and healthy, they gave me everything.”

Today, Natalia is a healthy 17-lb wonder, who just turned one year old. Rachel gushes over her baby, her “miracle” and “blessing,” since she had intended not to have any children of her own.

“I’m so grateful that we’re in a position that I can stay home with her and only work two days a week, so I don’t worry as much about missing anything new she does.”

*One-year birthday ‘cake smash’*

*Rachel Sullivan and Jose with newborn Natalia last spring (Timeless Moments Photography by Frost)*

“We spent most of our days last fall walking and jogging around the park since she LOVES to be in her stroller. It’s so weird that she’s been here for such little time, but it feels like she’s always been here.”

Together with Rachel and Natalia, we are grateful for your prayers for our clients, staff, and volunteers. Prayer calls down grace from heaven, which softens hardened hearts and makes miracles like Natalia possible.

# CREATIVE WAYS TO GIVE

BY PATRICK NOVECOSKY

Gifts come in all shapes and sizes, and we are grateful for each one of them. We have some creative ways to partner with us and the first two won't cost you a thing! Here they are:

## AmazonSmile

Your everyday purchases on Amazon can benefit the Center through AmazonSmile.

A charitable donation equal to 0.5% of your total eligible purchase comes to us – at no cost to you! Your shopping experience stays exactly the same. Visit [Smile.Amazon.com](https://www.smile.amazon.com) and enter Warrenton Pregnancy Center as your designated charity.

## Baby Bottle Drives

Ask your church to sponsor a Baby Bottle Drive this spring. We can supply empty baby bottles, instructions, and volunteers to distribute and collect them. It's a great way to raise awareness of our work in your church.

## Direct Giving

This is certainly the simplest way to give: Grab the envelope in this mailing and send it back to us with a check or your credit card information. You can also give at our website: [wpcpartners.org](https://wpcpartners.org)

## Monthly Giving

Our monthly donors are the lifeblood of the Center. Hundreds of you give \$10-\$100 per month. With so great a group of supporters, these gifts (big and small) sure add up! You can become a monthly donor with the enclosed envelope or at [wpcpartners.org](https://wpcpartners.org)!

## Wills, Trusts, Memorials

We have been blessed with a number of donations from Trusts and Memorials over the past few months. We are grateful to donors who ask for donations to the Center “in lieu of flowers,” for those who donate funds held in trust, and for those who remember WPC in their will.

## Participate in our Events

We have a slate of fundraising events coming up this year (see below). Individual and corporate sponsorships are available for our Gala and Golf events. Details are on our website.

## MARK YOUR CALENDARS 2021

We have a full slate of events this year, and we invite you to join us:

### May 4: Give Local Piedmont

<https://www.givelocalpiedmont.org/organization/WarrentonPregnancyCenter>
