CHANGING HEARTS, MINDS

FROM THE EXECUTIVE DIRECTOR

Jesus gives hope to the hopeless. That certainly rings true in my life, but the hope I received didn't come directly from Jesus. It came through another Christian. The Lord is gracious enough to allow us to be his hands and feet in this world.

We see dozens of clients every month. Many of them simply need a car seat, diapers, formula, or clothing for their child.

Others, however, are bent on aborting their unborn baby. Others come to us under very

difficult circumstances. One client, we'll call her Beth, came to us earlier this year. Prior to becoming pregnant, she was told she could never have children because of a medical condition. She was therefore shocked when she found out she was with child.

Since she wasn't supposed to be able to get pregnant, she sees her baby as a true miracle. She was referred to us for emotional and spiritual support, as well as material goods.

She was in an abusive relationship with a drug addict and remains enmeshed with him, even though she has tried to break ties with him.

She wants to work hard to become a healthy strong woman who can be a good mom to her child, her miracle!

Our office staff, nurses, and trained advocates are truly the hands and feet of Jesus to women like Beth. Dozens of others have found new hope because of our work. Their children will have hope because their moms were touched by the Christian outreach of our ministry.

And it's all thanks to you! Your prayers, financial support, and volunteer efforts make all the difference. We're grateful for your partnership with us in this vital work. God bless you always.

BABY SHOWER

Pam Bishop, WPC's client services director, poses with one of our clients at a recent baby shower. We support our clients from the time they walk through our door until they're strong enough to journey on their own.

1ST ANNUAL ICE CREAM SOCIAL

Dozens of friends and supporters came out for our first annual ice cream social on Sept. 11 with support from Carousel Frozen Treats. The event marked the fourth anniversary of our founding on Sept. 9, 2017.

HOW YOU CAN HELP: CHRISTMAS GIVING IS AROUND THE CORNER

There's a chill in the air and you'll notice the smell of leaves and smoke from your neighbors' chimneys during your evening stroll. Before you know it, we'll all be singing Christmas carols.

But before you start your Christmas shopping, please take a moment to add the Warrenton Pregnancy Center as your designated Amazon Smile charity. It only takes a few quick clicks. WPC receives a portion of every purchase at no cost to you. Learn more here: wpcpartners.org/waystogive

Also, be sure to check out our baby and mom wishlist. We're often in need of diapers and clothing for our clients and their children.

We update the list regularly. More here: wpcpartners.org/wishlist

And if you're not already signed up for our email blasts, please consider joining. We send regular updates on our programs and clients' needs.

We also send out vital prayer requests for our clients, particularly those who are abortion-minded and abortion-vulnerable. We always see more women in the fall, so your prayers are critical during this important season. More at: wpcpartners.org/signup

A WORD OF GRATITUDE

BY PATRICK NOVECOSKY

Your support is making a huge difference! In late September, an abortion-minded mother of two came to us. She's now excited to give birth to her third child!

Thank you for your prayers, volunteerism, and financial support. We extend our special thanks to Mayflower Homeschoolers who collected cleaning supplies and items for our mom bags.

A big thank you for financial gifts from Battlefield Baptist, Our Saviour Lutheran Church, and the Women of Wesley Chapel United Methodist Church in Marshall.

We're also grateful to Chick-fil-A Warrenton and Panera Warrenton for hosting Spirit Day fundraisers this fall.

If your church or community group would like to host a baby bottle drive or fundraiser, drop us a note: info@wpc.life
