

*With all of the division and rancor gripping our nation, our children are a sign of our hope for the future*

## THANKS TO YOU...

Our supporters are simply the best! You've heard my talking points over and over (pray, volunteer, donate), and you've responded. You have committed to praying for our staff, volunteers, and clients. You've stepped up your volunteer efforts (we could still use more help). If you are interested in volunteering, please complete the application form on our website: [wpcpartners.org/volunteer](http://wpcpartners.org/volunteer)

In the months ahead, we have more work to do. We are developing a plan to expand our medical services to serve our clients at a higher level. From the bottom of our hearts, thank you! Please keep up your prayers as we discern the best path forward as we grow our staff and services.

## PEOPLE OF HOPE FROM THE EXECUTIVE DIRECTOR

I've never been a Whitey Houston fan, but the lyrics to one of her most popular songs — "The Greatest Love of All" — keeps running through my head: "I believe the children are our future. Teach them well and let them lead the way. Show them all the beauty they possess inside."

Patrick Novecosky

Children truly are our future. That's why we fight for them and their mothers.

Abortion not only steals life, it also steals hope. As Christians, we are people of hope. Having and nurturing children and raising them to know,

love, and serve our amazing Lord Jesus shows the world that we have hope for the future. We believe that God has a wonderful plan for them and everyone on the planet.

Pope John Paul II famously said, “A nation that kills its own children is a nation without hope.” We must fight for our nation on our knees and in the trenches. That’s why our clinic exists. America’s soul is at stake.

Many of the women who visit us have lost hope in

their future. We pray with them, show them that they are not alone, and restore hope. Over the past six months, by God’s grace, we’ve seen more women turn from abortion than ever before. With our success, however, we’ve experienced significant spiritual warfare. That’s where you come in. We rely on your prayers to keep Satan at bay. Your prayers help to keep us spiritually strong, and because of you, graces flow from heaven for us and our clients.

We are grateful for your continued spiritual, financial, and material support of our work. Thank you for being people of hope. God bless you always.

*Dr. Price*

## CELEBRATE LIFE DAY

We held our second annual Celebrate Life Day on June 22 to mark the anniversary of the Dobbs decision, which struck down Roe v. Wade. Despite the heat, hundreds of supporters helped us celebrate faith, family, and fun. (Ben Cordy photos)

## 2024 ANNUAL GALA

Dr. John Bruchalski (bottom) delivered a stirring keynote address at our annual spring gala on April 19 at the Inn at Vint Hill. We raised a record \$98,200 thanks to your generosity. Thank you for your support! (Dragon Ridge Photography)

# TELLING THE TRUTH IN LOVE: HOW JANE'S STORY CHANGED US

Every client we serve at the Warrenton Pregnancy Center has a unique story. Some stories are touching, and others are horrific.

Jane's story challenged us. She came to us in June 2023; she was pregnant but too early for an ultrasound. Jane (not her real name) received advocacy but ultimately chose a chemical abortion (abortion pill). When she returned to our clinic earlier this year, she told us that it was a *horrible* experience and that she would *never* have another abortion.

When we discussed her feelings and experiences with the abortion more deeply, she stated that one of the primary considerations in choosing abortion (in 2023) was that she made too much money to qualify for Medicaid and didn't have health insurance. The lack of access to affordable prenatal care was self-volunteered as a significant factor in her choosing abortion.

Choosing to have an abortion is often a multifaceted and complicated decision, but by her own confession, lack of access to prenatal care significantly skewed her in that direction. This is one factor we are addressing. We will take this reason out of the equation and possibly save many lives.

The other portion of Jane's story is that she returned to us. We told her the Truth in love about her pregnancy and the abortion procedures last year. She clearly knew our life-affirming position, and even when she found herself pregnant again this year, who did she call?

Where did she go? Back to the place that shared the Truth with her in love.

Jane is now 100% committed to carrying to term and parenting her baby. In light of this clear need, our clinic is moving forward to meet the needs of our community — both born and unborn.

## *Fill a bottle... Change a life.* Baby Bottle Campaign 2024

The simple act of filling a bottle with change, cash, or checks can make a big impact! We are on track to raise over \$30,000 this year! Your change helps change lives of the women, men, and babies we serve. If your church or organization would like to participate in the coming year's *Baby Bottle Campaign*, contact the us at (540) 699-0338 or visit [wpcpartners.org/babybottles](http://wpcpartners.org/babybottles)

*Thank you to all the churches and organizations participating in our Baby Bottle Campaign!*

## A WORD OF GRATITUDE

We continue to be blessed by your generosity. We couldn't serve our clients without individual supporters, churches, and business sponsors.

A shout out to the churches who supported our annual Celebrate Life Day on June 22: Veritas Church, Park Valley Church, St. John the Evangelist (Knights of Columbus & Father Veger Ladies Auxiliary), Trinity Lutheran, Battlefield Baptist, Broad Run Baptist, and Warrenton Bible Fellowship.

Many thanks to the hundreds of individual donors, business sponsors, and volunteers who helped make our annual gala on April 22 such a roaring success. You really outdid yourselves this year, helping make this the most successful event in our history!

Thanks to the local Knights of Columbus, our old ultrasound machine is on its way to Uganda. They helped us purchase it six years ago, and now it will be used to help moms and babies in Africa.

We're also grateful for all of our EveryLife diaper donors and those who signed up to buy Seven Weeks Coffee. You can continue to support that initiative by visiting [bit.ly/wpccoffee](https://bit.ly/wpccoffee). A portion of each sale comes back to us as a donation.
