A LITTLE GIFT...

Reaching all the moms in need of our help has always been our goal. Most moms find us through our online ads. But now they can find us by walking through the parking lot while you're shopping or going to church.

We've enclosed a bumper sticker with our website and QR code to our website. Imagine a mom-in-need spotting your bumper sticker and connecting with us, resulting in a saved baby!

THE DEVIL'S WORK

FROM THE EXECUTIVE DIRECTOR

There's a battle looming. A big one.

Earlier this year, the Virginia House and Senate passed an abortion amendment that, if ratified, will make killing unborn children a constitutional right in the Commonwealth.

It's horrific that anyone thinks this is a good idea.

Patrick Novecosky

To be placed on the ballot, the amendment must be approved by the General Assembly again after the November election. The amendment would

eliminate Virginia's current law limiting abortion at 27 weeks, during the sixth month of pregnancy. The diabolical amendment would amend the state constitution to allow all-trimester abortion, eliminating parental consent, ending health protections for women and girls, and forcing taxpayers to fund abortion. It may even lead to the closure of life-saving clinics like ours.

of God come together in Jesus' name to defend the weak and vulnerable.

The Warrenton Pregnancy Center stands with pro-life groups across Virginia, urging lawmakers and voters to reject this amendment that would destroy God's most precious gifts — our children.

Please stay in touch with us in the coming month and connect with the Virginia Society for Human Life (vshl.org) as we work and pray to stop this horror from becoming a reality.

2025 VISION DINNER

We had a tremendous turnout for our annual Vision Dinner on April 26. Thanks to Kelly Lester (top) for her riveting testimony and our loyal donors for helping us raise nearly \$160,000 for our life-saving mission! (Photos: Dragon Ridge Photography)

CELEBRATE LIFE DAY

Faith, family, and friends were center-stage during our 3rd Annual Celebrate Life Day on June 14. We are grateful for the support of our church partners who bring the pro-life message to their congregations.

JENNIE'S STORY OF HOPE AND JOY DESPITE HOMELESSNESS

The Warrenton Shelter recently contacted us about a young lady who was newly homeless, in her third trimester of pregnancy. She had nothing and no one in her corner.

That's how we met Jennie (not her real name), a lovely 22-year-old young lady. Medically, there was nothing we could provide her since she was so far along, but we gladly welcomed her for material support and parenting education. In our interactions with her, we learned that she was already a believer.

She and the baby's father were no longer in a relationship or communicating. She was on her own, without her own family's support. She didn't have a job. She plans to study art at Germana Community College; art is her passion.

Despite her challenging life circumstances, she has remained excited and optimistic about her

baby and being the best mother possible. Jennie has been a sponge, gratefully absorbing all the information about the benefits of breastfeeding and parenting. She selected some courses to gain even more information about parenting.

We provided her a mommy bag, baby clothes, maternity clothes, diapers and wipes, a bassinet, an infant stroller, baby blankets, baby books, a diaper bag, baby hygiene grooming/supplies, and baby bathtub. We have also gotten her connected with governmental services and agencies.

But the most important thing we have given her is the gift of relationship and friendship. She has few people in her life who believe in her or support her. Our personal connection is priceless for her. This was more critical to meet than all of the dire physical needs this young mother had. She has touched our hearts, and we were blessed to work with her. Jennie's son was born in January.

Fill a bottle... Change a life. Baby Bottle Campaign 2025

The simple act of filling a bottle with change, cash, or checks can make a big impact! We are on track to raise over \$30,000 this year! Your change helps change lives of the women, men, and babies we serve. If your church or organization would like to participate in the coming year's *Baby Bottle Campaign*, contact the us at **(540) 699-0338** or visit wpcpartners.org/babybottles

Thank you to all the churches and organizations participating in our Baby Bottle Campaign!

A WORD OF GRATITUDE

We continue to be blessed by your generosity. We couldn't help moms and save babies without individual supporters, churches, and business sponsors.

A shout out to the churches who have done baby bottle drives over the past six months: St. John the Evangelist, Holy Family Academy, Warrenton Bible Fellowship, Veritas Church, and Park Valley Warrenton Church.

THANK YOU!

Many thanks to Park Valley Warrenton for donating Bibles and devotionals for our clients.

In other news, our retired ultrasound machine is on its way to the Good Samaritan Health Centre in Wobulenzi, Uganda. Thanks to help from Park Valley Warrenton, Battlefield Baptist, and the St. John's Knights of Columbus for their financial assistance.

We're also grateful for all of our EveryLife diaper donors and those who signed up to buy Seven Weeks Coffee. You can continue to support that initiative by

visiting bit.ly/wpccoffee. A portion of each sale comes back to us as a donation.
